### Thank you for entering the Pie Baking Contest! Good Luck and Happy Pie Day!

**ENTRY FEE:** Your \$5.00 fee covers expenses not included in the prize fund grants. Those items include our share of Braham Pie Day advertising, ice, long-distance phone, postage, etc. Unspent proceeds go to **B.A.C.K. – Braham Area Committee for Kids Fund.**

**AWARDS:**

Announced and presented at the Pie Auction at 3:00 in the Park. Please be present and ready for a Group Photo of all the Champions immediately following the auction. ( Approx. 4:00) Be ready with a short comment – your pie may be a champion! See yourself & your pie's photo displayed in the Park!

**ABOUT THE PIES SUBMITTED TO THE CONTEST:**

- Please note that your pie and pie tin/plate and recipe will become the property of Braham Pie Day once registered for the contest and are not returnable. Your recipe & comments may be quoted and reprinted in upcoming editions of the Braham's Pie Cookbook or in subsequent press releases.
- Pie categories are set by the registrar according to contest policy

**SO MANY PIES...SO LITTLE TIME:**

All winning pies in each division including the Champion pie, plus as many others as time allows, will be offered at auction.

**WHEN IS A PIE "UN-SALEABLE" AND NOT TAKEN TO THE AUCTION?**

- Pies with raw egg and "some" cream pies that require better refrigeration for food safety than we can provide on a hot summer day.
- Pies that completely lose their "set" due to under-baking or weather
- \*\* Pies that "look" beautiful on top but have a "hidden secret" that the baker did not intend or expect. This includes an "off" taste, texture, or a state of under-baking resulting in a raw bottom crust or an under-cooked filling.
- \*\* Un-saleable pies & their tins are disposed of and are not retrievable by the pie baker at any time.

If you do not see your pie at the Auction please know that we understand your disappointment. Please understand that our volunteers will not be able to "find" your pie, return it to you, or explain its absence. If it was a problem with under-baking or a "hidden secret" it will be evident on your judging form.

**RETURN OF JUDGING FORMS:** Judging forms will be mailed to you if you attach a self-addressed envelope to your pie baker questionnaire; please expect to wait 6 weeks.
