We invite you to apply to exhibit in this event by submitting the enclosed Registration forms. Please review the following information and send your completed forms by June 1st.

- The annual attendance at Pie Day is estimated at 5500 +.
This figure is based on a head count plus the number of pieces of pie sold in Braham during the one-day event.

The area on 2nd Street is reserved for food, non-crafted product sales, marketing concessions, and RV/camper style booth units. The committee reserves the right to limit the number of concessions and evaluate the quality and assortment of the products and services sold. **The selling of pies outdoors (fruit and berry, pieces of pie, and whole pies) is NOT ALLOWED - this is reserved for the Braham Pie Day organization.** Concessions without required paperwork will not be allowed to set-up. Every effort will be made to contact exhibitors to clarify any information in question on registration applications before making any final decision regarding their participation... We recognize all our vendors as our guests and we try not to turn anyone away, so there may be more than one selling the same/similar product, we appreciate the importance of your participation to the overall success of Pie Day. **Please bring enough food to last the day**
